A few words from our Principal...

Dear Parents & Caregivers,

Fete

It's here!!! One more sleep.

The biggest event on the fun calendar, one which is in the planning 12 months prior, has finally arrived. Thank you to our P&C and staff who bring this event to life and spend enormous hours in preparation.

Students are able to wear out of uniform tomorrow for \$2, I'm sure there will be many circus theme costumes in the playground.

South Stars

I mentioned in Week 2 of the talent of our State Athletics team and now the talent continues to shine. Miss Hickey took her team of cheerleaders to Sydney last Saturday to compete in the National Scholastic cheerleading competition. This is the first time that South school has ever been involved in cheerleading, and Miss Hickey has been very busy during the last Term preparing her team. The South School Stars **won** the level 1 division! The level of competition was extremely high against other schools whom are all part of cheerleading affiliations.

GO South ! ~ we are all very proud of your achievement.

Thank you Miss Hickey for trying something new and giving our students a new opportunity.

Year 6 Sydney excursion

Last week year 6 spent the week in Sydney, along with a day trip to Melbourne, enjoying and exploring the sights, culture and culinary tastes of the two cities. The week long excursion leaves no stone unturned. I ran into our students as they were heading to Jamie Oliver's restaurant for an evening of fine dining.

Once again all reports from teachers were extremely positive regarding our students behaviour and team work. All teachers reported that members of the public, along with staff from different venues, commented on how respectful, well mannered and considerate the students at Gunnedah South were at all times. This is something to be very proud of.

Thank you to Miss Flannery, Mrs Conn, Miss Stanger and Mr Humphries for giving up a week of their time to ensure this fantastic excursion can ahead.

Kindest Regards

Emma Jeffery

Ag, Food and Fibre Celebration Day!

Tamworth 23rd October

On Friday, 37 students, 5 parents volunteers, Mrs Keeler and Mrs Sams, took a bus ride over to Tamworth to celebrate the completion of our, and other school's Ag, food and fibre weeks.

We were treated to various workshops related to this industry.

The children decorated a pot, planted seedlings and learnt more about worms at Bunnings. They then travelled over to the Tamworth TAFE where they listened to a talk by Mr Nick Bradford, from the Nundle Woollen Mill and took up the chance to make a pompom. Lastly, they listen to Mr Waters speak about bush tucker. A fantastic day was had by all! A huge thankyou goes out to the team who organised this great day!
