PRINCIPAL'S MESSAGE

Dear Parents and Community Members,

It is hard to believe how quickly the end of the year is approaching, with less than 3 weeks in 2019 for our students. While you may think we are winding up for the year, this is simply not the case. Learning happens every day at Gunnedah South and teachers will be teaching until the last day of school.

Kitchen Cook Off

This week we had our final for the kitchen cook off. It was a superb night of fun and enjoyment, with six teams competing. Each team served up a three course menu to judges, Mark Young (School Director), Amy Perfrement (P&C President) and Jules Bailey (2MO). The scores were very close but the overall winner was Bronte Snow and her Mum Danniel. Congratulations to everyone that competed, you should be very proud of your achievements.

<u>Presentation Day – Tuesday 10th December Starting</u> at 9:30am

This year our Presentation Day will be held at the Gunnedah Town Hall commencing promptly at 10am. After feedback from a variety of stake holders, we are working towards streamlining the day and our school goal is to conclude the presentation by 12 noon. This does mean, after consultation, we have removed a number of awards that have not been supported financially for many years and we have restructured the day. You will be pleased to learn that my Principal's report is even on a time limit. I think this is great as the presentation is focussed on students and celebrate our student successes.

Gunnedah High School Transition Day

Students who are starting Year 7 at Gunnedah High School in 2020 are invited to attend the Orientation Day on Tuesday 3rd December. Students will need to wear their sports uniform, including their red school hat. They will also need to pack a drink bottle and morning tea. A BBQ lunch will be provided.

Students are required to make their own way to and from Gunnedah High School. There is no need to come to Gunnedah South first.

Whole School PBL Celebrations Water Fun Day. The PBL team is excited to announce due to the amazing efforts of all students being safe, respectful learners, our whole school will again participate in a water fun day. This event would not be possible without the amazing support of your P&C. This day will be full of fantastic water activities for students at school on Tuesday 17th December. Students can wear PBL colours on the day. Students will need:

- swimmers
- ♦ towel
- hat
- ♦ sunscreen
- plastic bag for wet clothes

Finally, I would like to thank the Presentation team in advance and remind parents that next Friday will be our last Newsletter for 2019.

Kindest regards,

Pete Baum

Year 6 Sydney Excursion

Last week from November 18-22 we went on our Year 6 Excursion. We had a total of 82 students and 8 supervising teachers. We used public transport the whole time to get to some beautiful attractions.

On Tuesday we went surfing at Manly Beach. We had a little talk about the boards and dangers. After the talk we grabbed a board and headed out to catch some waves. I stood up on the board for 5 seconds.

On Wednesday night after dinner we left to go rock climbing. It took us a while to get there because we didn't know the way. When we got there we had were taught how to belay our partner. Once we were taught that we had a go at climbing. Most of us reached the top.

After that we were all tired.

The Year 6 excursion was a great experience. I hope that I can go to Sydney again. I made lots of good memories with my friends. Thank you to our parents for allowing us to go on this excursion and to our teachers for taking us.

Please park safely in school zones

Parents and motorists are being reminded to park safely and legally in school zones, particularly at this very busy time of the year.

There are many school and social events on towards the end of the year, and Gunnedah Shire Council is encouraging greater safety around schools by urging people to follow the rules and not park in bus zones or no-stopping zones.

Gunnedah Shire Council Regulatory Services Co-ordinator Wade Berryman said drivers needed to stay on the alert for pedestrians and buses while in school zones.

"Road safety is critical around schools where children and traffic combine at drop-off and pick-up times," Mr Berryman said.

"Students – especially young children – can get very distracted and may not understand the road rules. We urge people to be very aware of what is going on around them, and courteous with other drivers and pedestrians.

"You cannot park in bus zones and you can only stop in no-parking zones for two minutes, and you must stay within 3m of your vehicle.

"It is really important that people obey the speed limits and the parking restrictions to ensure school zones are safe."

Council's tips to driving and parking safely near schools:

- Park safely and legally, even if it means walking further to the school gate.
- Slow down to 40km/h in the school zone and stay aware of crossings.
- Always park and turn legally around the school.
- Never double park it puts children at risk.
- Manoeuvres such as U-turns and three-point turns are dangerous.
- Never park in a bus zone or in the school bus bay.
- Make sure your children use the safety door (rear footpath side door) to get in and out of the car.
- At a supervised crossing, observe the directions of the school crossing supervisor.
- Model safe and considerate behaviour for your child.

School zone parking offences can attract heavier fines than other parking offences, and the loss of two demerit points.
